Listing Your Merchandise

- 1- We will need 2 – 4 digital photos of the material for sale. Please make sure photos are not larger than 1 mb.
- 2- We will need a detailed description with specifications of your merchandise. If it is a complete job, list all of the components included.
- 3- We will need a detailed description of the condition of product for sale. List any scratches, dents, or damage that may need touch up or repair.
- 4- We will need the date purchased or manufactured and the weight of the product.
- 5- We will need the full value retail price new and the price you want to receive for your product.
- 6- When your product is sold, you will be responsible for packaging it correctly to prevent damage during transit. We will also require a photo at time of shipment, for any potential freight claims
- 7- We will have the carrier call for an appointment for you to load the material and ship it.
